# ***FACIAL PROTECTION PRODUCTS***

The TECNOL\* brand name has long been recognised for innovative facial protection. The introduction of the FLUIDSHIELD\* products line revolutionised the face mask industry by offering customers a range of fluid-resistant, yet breathable face masks. Since then, the commitment to continuously develop new technologies for this market has remained paramount.

As part of the Kimberly-Clark family of Health Care products, KIMBERLY-CLARK\* TECNOL\* face masks offer the broadest range of styles, features and level of protection, including the respirators, available today. Whatever your clinical needs and personal preferences, you can be confident there is a KIMBERLY-CLARK\* TECNOL\* face mask that meets your requirements.
